Educating New Generations In building a Non-radicalised Environment

For more information: cercle.augustin@gmail.com

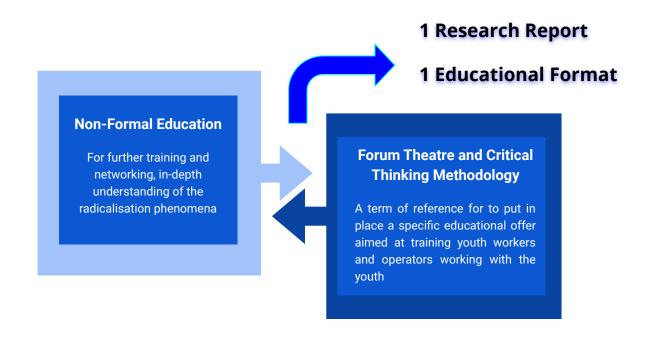

What is **ENGINE**?

A 24-month project aimed at empowering youth and social workers/operators who work with young people at risk of radicalisation, equipping them with efficient instruments and methodologies aimed at fostering critical thinking as well as preventing radicalisation phenomena

Which approaches does the **ENGINE** Project implement in order to reach its goals?

Which are the target groups involved in the **ENGINE** Project? Which will be their mission?

Joint Staff	Aimed at young workers aged 25+ who work with young people at risk of radicalisation	 Participants will submit their feedback for further improvement and finalisation of the Training Format Outcome will be the draft of the toolkit "Educational Pathway to Prevent Youth Radicalisation"
Blended Mobility for Young People	Aimed at young people aged 18-25 years old (both locals and migrants)	 Will serve as a testing of the toolkit "Educational Pathway to Prevent Youth Radicalisation" Outcome will be the educational series "New GenerAction!"
Local Activities	Aimed at young people aged 13-20 years old (both locals and migrants)	 Implemented in each partner country During these activities, participants from the Blended Mobility for Young People will act as New GenerAction Ambassadors
Local Seminars	Aimed at youth workers/operators and trainers	 One seminar per partner country Participants will be trained on how successfully exploit project outputs targeted at young people
